Edward Canvas Plus Matt

3388

The Canvas Plus Matt is an universal artistic, cotton / polyester blend canvas for solvent, latex and UV inks. The matt finish enables prints with excellent colour reproduction. The printed surface shows no signs of white-scoring and is splashproof. The material was developed specifically with industrial printing of framed art and photo application in mind and can therefore be used in automated framing machines.

Advantages

- Brilliant colour reproduction
- Quick drying
- No white-scoring
- Splashproof
